How to Find a Journal Article

Step 1:

Go to the library website: http://library.nuigalway.ie/

Sign in for full access:

In the search box type in a combination of the authors surname(s) and article title in double quotation marks and/or journal title e.g. Lee “Community Development in Ireland” and click on the search button.

Step 2:

The results will not include the journal you are looking for as the results that come back are excluding articles.

- Choose ‘including articles’ from the drop-down menu
- Then click on search and a list of articles will be returned.

NOTE: Remember if you are off campus you need to sign in.
Getting the Article

To access the article simply click on the article title.

The menu below will appear, showing you where the library provides e-access to that article.

Click go on any option to access the article.

**TIP:** Not all journal articles can be found this way.

A journal may only be available in print. If you don’t find what you need by article searching, you will need to search by journal title:

- Search for journal title: Administration (Excluding Articles)
- Click on print locations to check availability, location and call number.
